Subject: CDBG Financial Reports and Final General Admin drawdowns

The CDBG grantee may submit its final general administration drawdown for activity 0181 with the submission of the CDBG Program Final Financial Report. Remember to complete the note section for Part III unpaid costs if you have such costs, which may include general administration.

If you submit the CDBG final general admin draw request after submission of the Final Financial Report, please do not report the general admin CDBG amount under Part II line 2 unsettled claims unless it actually is in dispute. Thanks.
