

Message from President Dan Koch

Welcome to the Nebraska Diplomats' website. If you're considering becoming a Nebraska Diplomat, please take the time to explore our site to learn more about the value of becoming a Diplomat.

The Diplomats consist of business leaders dedicated to improving Nebraska's quality of life through economic growth. With support from the Nebraska Department of Economic Development and a fully engaged Diplomats membership, our great tradition of continuous improvement will continue.

Nebraska Diplomats, while hosting new business prospects for Nebraska and recruiting new membership, also have a number of events held throughout the year, see **EVENTS** sidebar for further information. These events benefit the membership by allowing interaction with other business leaders from across the State.

We are always looking for other Nebraska business leaders to help spread the message of Nebraska's great quality of life and place to do business. If you have an interest in becoming a Nebraska Diplomat please see **MEMBERSHIP** sidebar for member contact information. Any of our members can help you through the process.

I'm looking forward to a great year with the Nebraska Diplomats. We are fortunate to have a talented and dedicated Diplomat team that works year in and year out on behalf of Nebraska and I am pleased to be part of this important effort.

Sincerely,
