## PACIFIC LIFE

Within 3 weeks of meeting with the Director of the Insurance Department, business leaders and a State Senator, a bill was passed in the Nebraska Legislature, changing regulations regarding the formation of mutual holding companies and resolving any concerns by Pacific Life.

## AFLAC

"We conducted a nationwide evaluation, and taking a number of factors into consideration, most notably the premium tax rate and favorable business climate, Nebraska is the best fit for AFLAC."

## NEBRASKA

One of the lowest premium tax rates in the country. Ranks second in the country in terms of total size of assets held by insurance companies. 15,000 employees with experience in the insurance industry. Twelve of the fifteen largest insurers in the state are located in Omaha.
